Rules for Consumer & Customer Competitions

When we offer a prize of Premier League tickets for consumer activations or customer incentives it is 2 Premier league tickets for what matches are available it is not for a specific match. All our Premier League tickets are for Home games so the winners must be home supporters – this will be specified in the T&C.

We can only offer prizes to winners with email addresses – we cannot accept mobile numbers
For every winner we need their first name, surname and email address. Ensure all of your competitions have T&C regarding the tickets

Ticket Redemption

A third party agency manages all of the ticket redemption. Once we receive the winners details they will be sent a link to click on to redeem their tickets and accept the T&C's
The link will expire after 2 weeks so they will not be able to get their tickets once the time expires. Only matches that are available will appear in the list. Tickets will be FEDEX to the winners before the match and in some cases it may just be the Wednesday before the actual match
If someone receives a link and they do not want the tickets they can either donate them to Primary Stars or else to another person as long as that persons details are entered on the system and they accept the T&C
