Business As Usual

The information featured in this promotional brochure was correct at the time of printing, however some products may have been removed. We recommend you check our website on a regular basis as this will have the most accurate pricing and stock information available. To save time we recommend using the "QUICK ORDER" feature online.

To protect stock availability, we have identified potential panic buy lines and have introduced a maximum restriction on certain products. These will be reviewed regularly to ensure our customers have an equal and fair supply of stock delivered. We are working closely with suppliers to increase stock cover on key lines. As well as this we are allocating suitable substitutions to set up on lines which we are experiencing supply issues with.

NOTE: Our usual operating hours remain. Promotions are still available.

We thank you in advance for your understanding and for your support during this challenging time.
